BRIEF ABSTRACT OF LETTER

Submits a scale of expenditure which he proposes for adoption in the above temple

NOTES AND ORDERS.

Under the item of receipts the Dy Comr has included only two sources of income viz- ~~Income~~ from tolls and from the sale of manure. Both of these items are of a fluctuating nature and so the average

of the past 5 years has been given. From the Cash grant register and from the Muzroi quit-rent register it is found that the temple is endowed with a cash grant of Rs 17-7-0 per annum and with a ~~Devadaya~~ wet inam land measuring 13 acres & 11 guntas and assessed at Rs 25/-. Besides, the temple seems to have been endowed with inam lands from private gentlemen for the performance of special sevas therein. The income from ~~all~~ none of these sources has been ~~included in the column~~ shown under the column of receipts.

Under the column of establishment two items as shown hereunder are mentioned

(i) Contingencies viz temporary bearers at the time of jatra and additional masalchis &c — Rs 13-4-0

(ii) Contribution towards Sanitation &c. Rs 50-0-0

Both these items may perhaps be shown under the column of Hetchukatle

refer. They may probably refer to
the car festival. A sum of Rs 24-13-9

as to what kind of expenses are

Under G.O. Nr. 651-60 dated 17.9.14, Mur 552-10-15 all the sevas have to be conducted by the donors themselves as they are in all cases less than Rs 50 in value.

As regards the income from the endowment made by Mr Vyasa Rao but not taken into account by the Dy Comr in framing the scale of expenditure it is noted that a separate account thereof has to be maintained in the temple itself as the value of the sevas exceeds Rs 50.

and under expenditure, the amounts provided for being proportionately reduced by 6¼ p.c. on account of the cost of the maintenance of the accounts.

The following points seem to call for attention in this case:-

1). In the office note on page 6 it is indicated that 6¼ p c of Rao Bahadur Vyasa Rao endowment should be withdrawn and credited to the temple funds to meet the cost of maintenance of accounts and in

Sl 4

the letter to the Dy: Comr also he was requested ~~in~~ to include the said endowment in the Scale of income & expenditure of the temple and submit a revised Scale accordingly.

In the revised Scale now received, 6¼ p c has been deducted not only on Rao Bahadur Vyasa Rao's endowment, for which a separate Scale of expenditure has been sanctd and separate accounts are maintained, but also on all other endowments and Pudivat funds shewn under ~~the~~ Receipts

It is a point for consideration and orders whether the above procedure was intended by Govt.

2) The next point for consideration

is whether it is not necessary to include the birthday of the God the temple in the scale of expenditure.

3) The total receipts now dasdit, inam lands and endowments are shewn as Rs 305-4-6, but the correct total is Rs 418/7/6. and red ink corrections have accordingly made in this office.

All the other endowments are less in value than the new minimum prescribed in the first order of the 17th Sept 12 (No. 657-60: mur-53-2-10-5). The Dy Comr has deducted this rate from incomes of all endowments. This is not intended by Govt.

Govt merely deducting this percentage does not mean actual disbursement of the amt to the temple servants preparing accts Even in the case of endowments of Rs 50 & above, the remuneration has to be paid under the special orders of Govt. The amts to be deducted will all be

Sir,

Adverting to your letter No 1579 Misc.

the list showing the proposed scale of Expendi-
-ture of Sri Venkataramana Swami temple
at Hemagiri in the Krishnarajpet Taluk
submitted with this office letter No 347 dated
5th February 1913, for revision, I have the
honor to submit herewith a revised
scale of Expenditure amounting to Rs 1127-2-4,
and to state as follows:--

It is seen from the report of the Amildar

that the gross receipts under all items have now been entered in the list and that the income of the temple from all sources (Excluding Vyasaraja's endowments sanctioned in Govt. Order No. 566-7 Mun 3630 dated 21-8-1909) comes up judging from the receipts of the past years, to not less than Rs. 1294-9-0 per annum. The Expenditure under all heads is included in the statement. This would leave a balance of Rs. 167-7-0 per annum which at present would be the annual saving to be added on to the sum of Rs. 8686-6-0 at the credit of the temple.

I request therefore that sanction of Government may be accorded to the Scale of Expenditure now submitted.

The file of records received with the French Rock Sub Div. office's Jawab No. 436 dated 7-10-13 is herewith submitted for reference.
